

Infobip is a world leader in mobile messaging and payments. We pride ourselves in our ability to provide specialised products and solutions to operators, technology and channel partners worldwide. Our portfolio is designed in-house and draws on our extensive experience in advanced mobile technologies. For more information, visit www.infobip.com.

As our business grows daily, we are seeking to recruit new members to join our team of enthusiastic and committed professionals. Contact us for the employment opportunity:

P&S INTEGRATION SPECIALIST (Belgrade-Serbia)

RESPONSIBILITIES:

- Gathers feedback from our clients about products and services – presenting ideas for improvement
- Provide business model analysis and product integration solutions to our clients
- Provide assistance to our sales managers during the pre-sales cycle
- Assists IT Director in product updates and training
- Provide technical support to our customers

REQUIREMENTS:

- Analytic approach to technical problem solving in a dynamic environment
- BSc or final year student in information technology or any related field
- High communication skills when dealing with clients and colleagues
- Experience with SQL and familiarity with web programming
- Ability to work independently in flexible working hours
- Written and spoken fluency in English language
- Dedication to the team

We offer international and dynamic working conditions, challenging situations that allow personal and professional development.

Send us your CV and cover letter to careers.serbia@infobip.com. We are looking forward to meeting brave individuals who look to create the future of one of the largest IT companies in the Central and Southeast Europe.

Welcome to Infobip!

Note: Infobip is an equal opportunity employer.
